Compliance Statement

ABL Asset Management Co Ltd claims compliance with the Global Investment Performance Standards (GIPS) and has prepared and presented this report in compliance with the GIPS standards. ABL AMC has not been independently verified.

Definition of the Firm

ABL Asset Management Company Limited ("ABL AMC" or the "Company" or the "Firm") is a wholly owned subsidiary of Allied Bank Limited (ABL). ABL AMC is licensed to undertake Asset Management and Investment Advisory services by Securities & Exchange Commission of Pakistan (SECP). The firm i.e. ABL AMC includes all Collective Investment Schemes (CISs) under its management and Separately Managed Accounts (SMAs).

Policies

ABL AMC's policies for valuing portfolios, calculating performance and preparing compliant presentations are available on request.

Composite Description

The fixed income composite, as per the SECP defined categorization of collective investment schemes, can invest in assets entailing a low to medium risk profile with a mid to long term duration. Asset classes consist of Corporate and Sovereign Debt Bonds, Bank Deposits, Treasury Bills, Margin Trading Products, Spread Transactions and Money Market Placements with investment grade counters. Currently ABL AMC offers ABL Income Fund and ABL Government Securities Fund in this composite.

Benchmark

The benchmark of ABL AMC Fixed Income Composite is Average of 6 Months KIBOR and the returns of benchmark are not net of withholding taxes.

List of Composites

A list of all composite descriptions is available on request.

Fees

Returns are calculated net of management fees and other expenses (which mainly includes custodial fee, trustee expense, SECP Fee, WWF and other levies).

Fee Schedule

Management Fee ranges between 0.25%-1.5% p.a. of Daily Net Assets for different CISs and presently there is no Front-end and Back-end load.

Minimum Portfolio Size

The minimum portfolio size for inclusion in any composite is as follows:

For Collective Investment Schemes: Rs.100 million
For Separately Managed Account: Rs.50 million

Internal Dispersion

Since number of Portfolios in the composite is only two at the moment (less than five) therefore calculation of internal dispersion is not required.

Year	Composite 3-Yr	Benchmark 3-Yr
	St Dev	St Dev
2QFY13	0.64%	0.36%
1QFY13	0.63%	0.26%
FY12	0.42%	0.22%

Key Assumptions

Following are the key assumptions used in portfolio valuation:

Financial Instruments

All the financial assets and financial liabilities are recognized at the time when the CIS becomes a party to the contractual provisions of the instrument. Financial assets are de-recognized when the contractual rights to receive cash flows related to the assets expire. Financial liabilities are de-recognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on de-recognizing of the financial assets and financial liabilities is taken to the income statement in the period in which it arises.

Revenue Recognition

Realized/ unrealized gains (losses) arising on sale / holding of investments are accounted for in the period in which they arise. Income on reverse repurchase, term deposit receipts, certificates of deposits, placements and government securities are recognized at the rate of return implicit in the instrument/ arrangement on a time proportionate basis. Profit on bank deposits is recorded on an accrual basis.

Subjective Unobservable Inputs

ABL Asset Management uses subjective unobservable inputs for valuing some of its debt instruments like Term Finance Certificates. The criteria used for valuation is in accordance with the guidelines issued by Regulator through Circular 1 of 2009 (as amended from time to time) and unobservable inputs are disclosed through "Provisioning Policy" on the website of the Company.

Proprietary Assets in the Composite

Proprietary Assets in the composite contains investments of ABL Asset Management Company Limited, its Management and that of Allied Bank Limited (ABL AMC's parent company).

Liability for Income Tax

Under the income tax law in Pakistan, the CIS is regarded as a public company. The net income of the CIS is taxable, if the conditions stated under clause 99 of Part 1 of the Second Schedule of Income Tax Ordinance, 2001 are not met, at the tax rate applicable to a public company, which is presently as under:

- (a) Dividend income is taxable at the rate of ten percent (10%) for public companies on gross basis.
- (b) Capital gains arising on sale of securities, listed on any stock exchange in Pakistan at applicable tax rates in accordance with the Income Tax Ordinance, 2001.
- (c) Return from all other sources/ instruments are taxable at the rate of thirty five percent (35%), as applicable to a public company.

Liability for Income Tax, if ninety percent (90%) of the Fund's income is paid as dividend

The income of the CIS is exempt for income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders.

Withholding Tax

Under the provision of Clauses 47(B) of Part 4 of the Second Schedule to the Income Tax Ordinance, 2001, the CIS's income namely, profit on government securities, returns on deposits/ certificates of investment with banks/financial institutions, profits from money market placements, profit from Profit and Loss sharing accounts with Banks of the CIS will not be subject to any withholding tax.

Liability for Worker's Welfare Fund (WWF)

The CIS is currently providing for the liability of WWF at the rate of two percent of accounting or taxable income, whichever is higher. The Management Company had undertaken to bear the WWF liability prior to May 27, 2010 on its books since the same has not been provided in the CIS's accounts.

Taxation of Unit Holders & Liability to Zakat**(a) Withholding Tax**

Unless exempted from such taxation or applied at a reduced rate under any law or under avoidance of Double Taxation Agreement, cash dividend paid to Unit holders (excluding banks) of the CIS will be subject to withholding tax at ten percent (10%) according to the present rates, which may change in future.

(b) Capital Gains

Capital gains arising on disposition of units of the CIS before the period of one year will be subject to withholding Capital Gains Tax at the applicable rates given in the Income Tax Ordinance, 2001. As per section 37(A) of the Income Tax ordinance, 2001, Capital gains shall be treated as a separate block of income and losses under this head can be adjusted by the unit holders from the capital gains in the same tax year. Any unadjusted loss under this head is not allowed to be carried forward to the subsequent tax years.

(c) Zakat levy

Units held by qualifying investors (Sahib-e-Nisab) as per Zakat and Ushr Ordinance, 1980 shall be subject to Zakat (levy) at the rate of 2.5% of the Par value of the Units or repurchase value of units whichever is lower as on valuation date in each Zakat year under Zakat and Ushr Ordinance, 1980, (XVII of 1980), except those exempted or have provided valid Zakat declaration form on the format prescribed in the Ordinance. Key Assumptions

Following are the key assumptions used in portfolio valuation:

Financial Instruments

All the financial assets and financial liabilities are recognized at the time when the CIS becomes a party to the contractual provisions of the instrument. Financial assets are de-recognized when the contractual rights to receive cash flows related to the assets expire. Financial liabilities are de-recognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled, or expires. Any gain or loss on de-recognizing of the financial assets and financial liabilities is taken to the income statement in the period in which it arises.

Revenue Recognition

Realized/ unrealized gains (losses) arising on sale of investments / holdings are accounted for in the period in which they arise. Dividend Income is recognized when the right to receive the dividend is established. Income on government and debt securities and certificate of musharaka are recognized at the rate of return implicit in the instrument/ arrangement on a time proportionate basis. Profit on bank deposits is recorded on an accrual basis.

Proprietary Assets in the Composite

Proprietary Assets in the composite contains investments of ABL Asset Management Company Limited, its Management and that of Allied Bank Limited (ABL AMC's parent company).

Liability for Income Tax

Under the income tax law in Pakistan, the Fund is regarded as a public company for tax purposes. The income of the Fund is taxable, if the conditions stated under clause 99 of Part 1 of the Second Schedule of Income Tax ordinance, 2001 are not met, at the tax rate applicable to a public company, which is presently as under:

- (a) Dividend income is taxable at the rate of ten percent (10%) for public companies on gross basis.
- (b) Capital gains arising on sale of securities, listed on any stock exchange in Pakistan at applicable tax rates in accordance with the income tax ordinance, 2001.
- (c) Return from all other sources/ instruments are taxable at the rate of thirty five percent (35%), as applicable to a public company.

Liability for Income Tax, if ninety percent (90%) of the Fund's income is paid as dividend

The income of the CIS is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realized or unrealized, is distributed amongst the unit holders.

Withholding Tax

Under the provision of Clauses 47(B) of Part 4 of the Second Schedule to the Income Tax Ordinance, 2001, the CIS's profit namely, profit on government and debt securities, profits on deposits and profit from Profit and Loss sharing accounts with Banks of the CIS will not be subject to any withholding tax.

Liability for Worker's Welfare Fund (WWF)

The CIS is not providing for the liability of WWF currently. The said liability is otherwise calculated as two percent of accounting or taxable income of CIS, whichever is higher.

Taxation of Unit Holders & Liability to Zakat

(a) Withholding Tax

Unless exempted from such taxation or applied at a reduced rate under any law or under avoidance of Double Taxation Agreement, cash dividend paid to Unit holders (excluding banks) of the CIS will be subject to withholding tax at ten percent (10%) according to the present rates, which may change in future.

(b) Capital Gains

Capital gains arising on disposition of units of the CIS before the period of one year will be subject to withholding Capital Gains Tax at the applicable rates given in the Income Tax ordinance, 2001. As per section 37(A) of the Income Tax ordinance, 2001, Capital gains shall be treated as a separate block of income and losses under this head can be adjusted by the units holder from the capital gains in the same tax year. Any unadjusted loss under this head is not allowed to be carried forward to the subsequent tax years.

(c) Zakat levy

Units held by qualifying investors (Sahib-e-Nisab) as per Zakat and Ushr Ordinance, 1980 shall be subject to Zakat (levy) at the rate of 2.5% of the Par value of the Units or repurchase value of units whichever is lower as on valuation date in each Zakat year under Zakat and Ushr Ordinance, 1980, (XVII of 1980), except those exempted or have provided valid Zakat declaration certificate on the format prescribed in the Ordinance. Zakat will be deducted at source from the dividend amount or from the redemption proceeds whichever comes earlier.
